

## Scholarship Entrance Test for NEET UG & AIIMS (MBBS) Preparation

This Scholarship Entrance Test is an excellent opportunity for students aiming for a career in the medical field to secure financial support for their NEET UG and AIIMS (MBBS) exam preparation.

### Examination Structure:

The examination will be objective in nature and based on the prescribed topics. It will be conducted in both English and Hindi.

The duration of the examination will be three hours.

The question paper will consist of 100 multiple-choice questions, carrying a total of 100 marks.

Negative marking shall apply:  $\frac{1}{4}$  mark will be deducted for each incorrect response.

### Eligibility Criteria:

### Candidates Eligible to Apply:

Students who are eligible to apply for or are preparing for the NEET UG or AIIMS (MBBS) entrance exam.

Students who have just passed Class 10th, or are currently studying in Class 11th or 12th (Science stream with Biology), as well as those who have recently completed their Class 12th and are planning to take a gap year for further preparation, are also eligible to apply for the Scholarship Entrance Test.

#### Subjects Covered in the Exam:

For Class 10th Students (or those who have recently passed or are awaiting results): The exam will be based on the Physics, Chemistry, and Biology topics from the NCERT Class 10th syllabus.

For Class 11th Students: The exam will be based on Physics, Chemistry, and Biology from the NCERT Class 11th syllabus.

For Class 12th Students (or those who have passed Class 12th): The exam will be based on

Physics, Chemistry, and Biology from the NCERT  
Class 12th syllabus.
